

Superior Banner Kit from Bernie Casey

If you want to **make your own banner**, this is an alternative to the club kit. These materials are superior to what you will get from the club, not much more expensive, and generate no additional work for the committee.

Materials

- Standard - one player @ \$ 60
- two players @ \$ 70
- three players @\$ 80

Note the maximum of three players per banner.

COD payment delivered to your home (as long as you live reasonably close by) or Shark Park prior to the game
